

Bulk Bag Unloading Loading Component

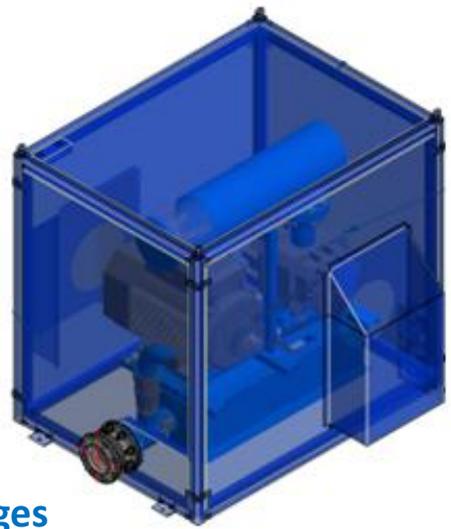

Bulk Material Bag (Big Bag) Unloading Stations

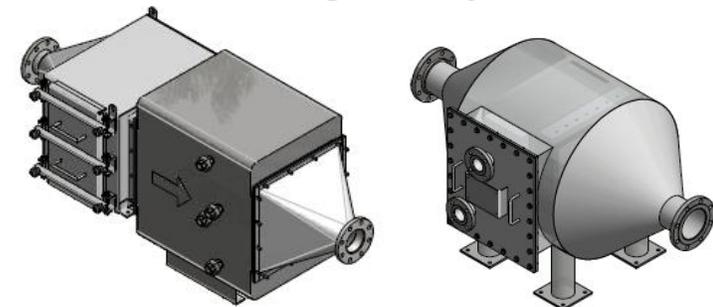

High-Pressure Air-Lock Unloading Rotary Valves

High Pressure Roots Blower Packages

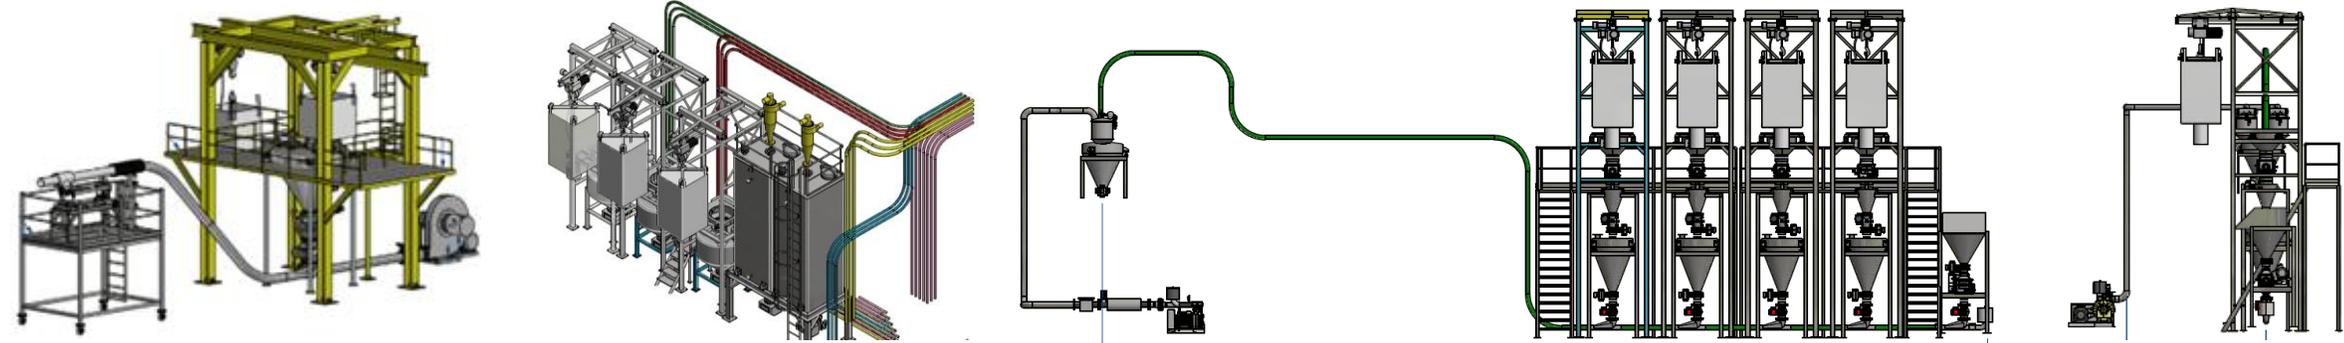

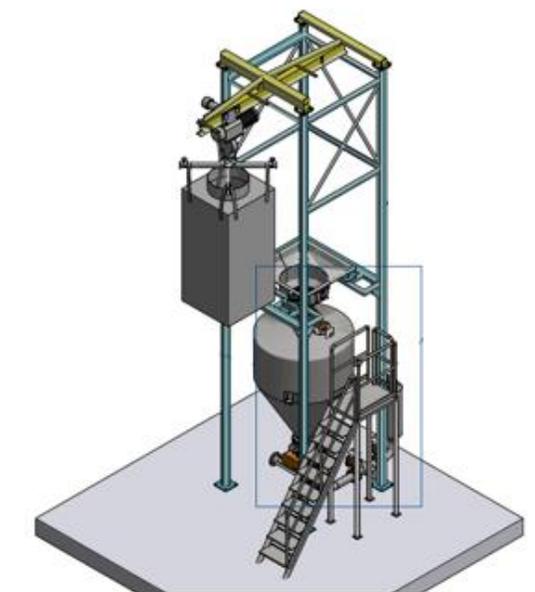

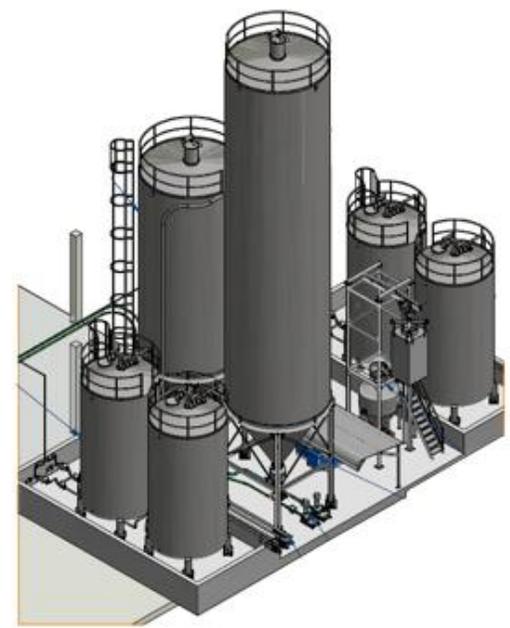

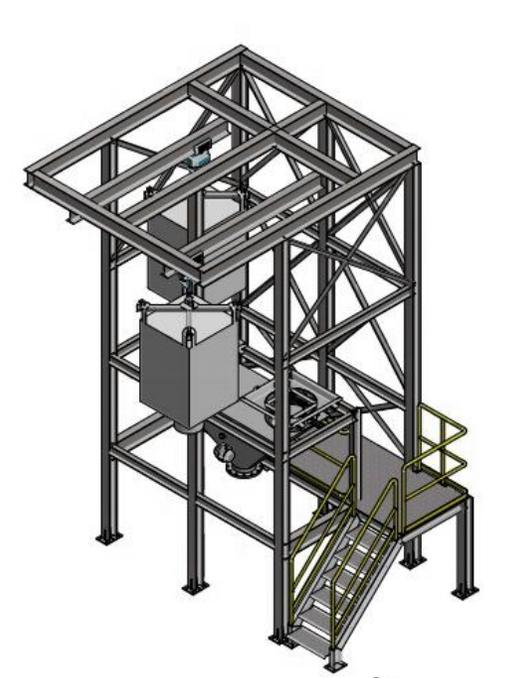

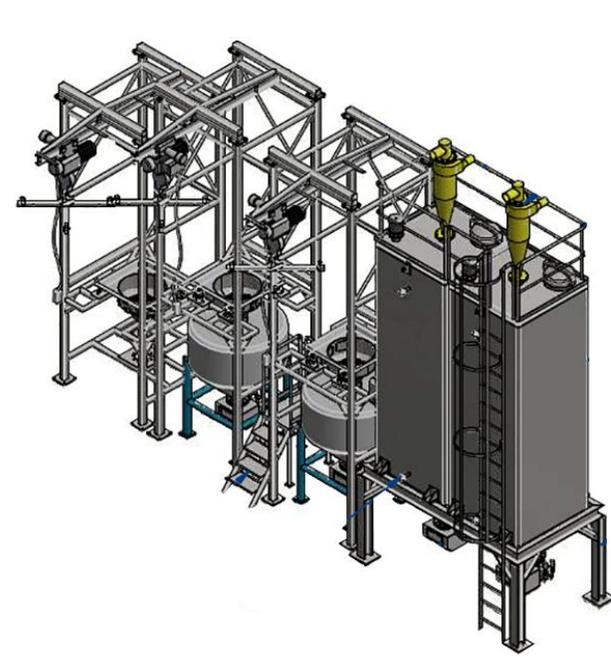

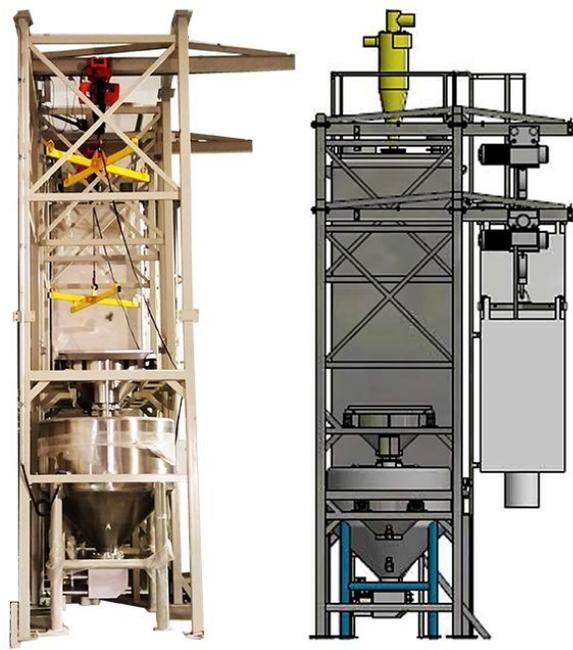

Tube, Bend, Ejector & Couplings

Air Cooler, Filter & Dryers

Bulk Bag Unloading Loading Component

100 m³ PVC Storage Silo / Load in by Mixed Phase Pneumatic conveying system from Big Bag Unloading station / Designed Operation time in 6 tons/hour

Mixed Phase Pneumatic conveying system from Big Bag Unloading station components
